

THE SCHOOLWEAR SHOP LTD IMPORTANT INFORMATION ON RETURNING PRODUCTS

Dear Customer

We would ask you to please read the Terms and Conditions section on the web-site before you commence the completion of the Returns Form below. In particular paragraphs numbered 2), 5), all sections of 6), and 14) as applicable, relate to return of products but we strongly recommend that you acquaint yourself with all our Terms and Conditions.

In the majority of cases, if you are unhappy with any item that you have purchased from us, you can return it in its original saleable condition with all sales tags attached within 28 days of delivery for a full refund. However, there are certain personal items and special orders which cannot be returned for refund and other items such as goods damaged on delivery which can only be returned if you have notified us by email within 3 days of receipt and returned the goods within 10 days. The full details of these exceptions are detailed in the Terms and Conditions as are the requirements for returning goods which are considered to have a manufacturing fault.

If you require a replacement item, we would advise you to make a separate order online since this will ensure the fastest delivery time or, of course, you can visit our store to return goods or buy replacement products. If the visit is to return products please ensure you have the delivery advice with you.
